# On the Subject of The Glitched Button

This is a button. It is...?

The module contains a glitched button and a screen consisting of white 0's and 1's.

The displayed sequence will be found in the table below. However, one bit has been flipped.

Tap the button when the seconds digits of the timer are equal to the corresponding number, or are 30 higher than it.

0	10011100	15	11000101
1	00111000	16	10001011
2	01110000	17	00010110
3	00000010	18	00101101
4	00000100	19	11011110
5	00100110	20	10111101
6	10011010	21	01111010
7	00110101	22	11110101
8	11010111	23	11101010
9	10101110	24	11010100
10	10111011	25	10101001
11	01110110	26	11111001
12	11011000	27	11110011
13	10110001	28	11100110
14	01100010	29	10011001
